

GA Liaisons' Map Instructions

If you know the name(s) of your liaison scroll down the Liaison List on the left side of the dashboard, click the name of your liaison and its location will appear on the map. To clear the map, close the information on the map and go back to the Liaison list and click the blue icon to refresh the list. If you do not know the name of your liaison, go to Select County on the right side of the dashboard. Click and a list of counties will appear, scroll down, and make your selection, the name of the liaison in your county should appear on the map and to the left of the map on the Liaisons List. Click the name of your county and its location and contact information will appear on the map. To clear the map return to Select County, scroll down and click Reset. All emails and phone numbers are linked just click to use.
